Article 1. DEFINITIONS

When used in this Contract, the following terms shall have the following meanings:

1.1 “Public Utility Commission,” “PUCT,” or “Commission” means the Public Utility Commission of Texas acting through its Executive Director and the agency’s designated Contract Administrator.

1.2 “Contractor” includes Texas Rural Water Association, and any successors, heirs, and assigns.

1.3 “Services” means any and all services performed and any and all goods and products delivered by Contractor as specified in Attachment A, Statement of Work (SOW).

Article 2. COMPENSATION

2.1 Compensation. Contractor agrees to provide all Services (including labor, expenses, and any other services) described in Attachment A, SOW, for the fees described in Attachment A, SOW, with total compensation for the term of the contract not to exceed \$328,000. Contractor understands that the PUCT is not responsible for payment of any costs or expenses exceeding this amount.

If Contractor believes that changes in the scope of Services to be performed will require Contractor to increase its fee, it must request the PUCT’s written authorization to increase its fee. The Contractor must document the changes in the scope of Services and why they will require additional effort. The PUCT must approve the increase in fee by written amendment to this Contract before the Contractor performs any Services or may invoice the increased fee.

2.2 Payment Process. Contractor shall submit a statement for services or invoice to the PUCT Contract Administrator no later than the 15th day of the month after the month that the Services were performed. The invoice must contain the name of the person performing Services and a brief description of work performed. No payment will be made for administrative overhead, overtime, etc.

On the statement or invoice, Contractor must include a statement that the invoice accurately describes the Services performed and the Services were performed in compliance with the Contract. The statement or invoice must include the vendor identification number issued by the Texas Comptroller or Contractor’s federal taxpayer identification number, a description of the Services provided, and the name and division of the PUCT Contract Administrator.

Contractor shall submit the statement or invoice to the PUCT as follows:

2.4 Payments made to Subcontractors. Contractor shall pay any subcontractor hereunder the appropriate share of payments received not later than the 10th day after the date Contractor receives the payment. The subcontractor's payment shall be overdue on the 11th day after the date Contractor receives the payment. The PUCT must approve Contractor's use of any subcontractor before Contractor engages the subcontractor (see Sec. 5.1).

2.5 Records. Contractor and its subcontractors, if any, shall maintain records and books of account relating to Services provided under this Contract. Contractor shall, for a period of seven (7) years following the expiration or termination of this Contract, maintain its records (electronic and paper) of the work performed under this Contract. Contractor shall make all records that support the performance of Services and payment available to PUCT and/or its designees or the State Auditor during normal business hours with reasonable notice, upon the request of the PUCT Contract Administrator.

2.6 Sole Compensation. Payments under this Article are Contractor's sole compensation under this Contract. Contractor shall not incur expenses with the expectation that the PUCT or any other agency of the state of Texas will directly pay the expense to a third-party vendor irrespective of the reason for incurring those expenses.

Article 3. CONTRACT ADMINISTRATION

3.1 PUCT Contract Administration. The PUCT designates **Tammy Benter** to serve as its primary point of contact and Contract Administrator throughout the term of this Contract. 3.5 Inquiries and Prompt Referral. Contractor understands that the PUCT does not endorse

any vendor, commodity, or service. Contractor, its employees, representatives, other agents, or subcontractors may not issue any media release, advertisement, publication, or public pronouncement which pertains to this Contract or the Services or project to which this Contract relates or which mentions the PUCT without the prior approval of the PUCT. Contractor will promptly refer all inquiries regarding this Contract received from state legislators, other public officials, the media, or non-Parties to the PUCT Contract Administrator.

Any such other subcontract or subsequent substitution of a subcontractor must be approved according to the terms of Article 7.

5.3 Prime Vendor Contract. The Parties expressly agree that this Contract is intended to constitute a prime vendor contract, with Contractor serving as the prime vendor for delivery of the Services made the subject hereof. Contractor acknowledges and agrees that it is fully liable and responsible for timely, complete delivery of the Services described in this Contract, notwithstanding the engagement of any subcontractor to perform an obligation under this Contract.

Article 6. TERM, SUSPENSION, AND TERMINATION

6.1 Term. The term of this Contract shall begin on the date signed by the last party to sign. If the Contract is not renewed, the PUCT may make assignments to the contractor from the beginning of the Contract until February 28, 2019, and the Contract will end on the later of February 28, 2019, or when the last assignment is completed unless sooner terminated under Section 6.2, 6.3, or 18.12, of this Contract. If PUCT terminates Contractor under Article 18.12, PUCT need not provide any notice or opportunity for curing the default.

6.3 Termination for the Convenience of the PUCT. The PUCT may, upon thirty (30) days written notice to Contractor, terminate this Contract whenever the interests of the PUCT so require. The PUCT will only reimburse those expenses already incurred at the time the notice is provided. 6.5 Transfer of Duties. In the event of termination, Contractor will provide reasonable cooperation to transfer its duties under the Contract to another entity without disruption to the provision of Services.

6.6 Remedies for Breach. All remedies available to PUCT for breach or anticipatory breach of this Contract by Contractor are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies. Liquidated damages, actual damages, cost projections, injunction relief, and/or performance bonds may also be invoked either separately or combined with any other remedy in accordance with applicable law.

6.7 Survival. In the event that this Contract expires or is terminated pursuant to its terms, the rights and obligations of the Parties under it shall end; provided that the provisions of Sections 2.5, 2.6, 3.5, 4.2, 6.5, 7.5, 9.2, 9.4 through 9.6, 17.2 and 19.1 through 19.4, 19.9 and Articles 1, 10, 11, 12, 14, 15, 16, 20, 21, 23, and 28 shall survive in their entirety.

7.2 Changes in Law, Rules, or Rulings. Subsequent changes in federal or state legislation, rules and regulations or rulings by the PUCT may require modification of the terms of this Contract, including an increase or decrease in Contractor's duties or compensation. In the event of such subsequent changes to statutes, rules, and/or regulations, the PUCT and Contractor shall

negotiate the terms of a contract modification in good faith and incorporate such modification into this Contract by written amendment.

7.3 No Assignment of Duties. This Contract shall be binding upon and inure to the benefit of the permitted successors and assigns of any Party (including by merger of Contractor or otherwise by operation of law); provided however that Contractor shall not otherwise, without the prior written consent of the PUCT, assign or transfer this Contract or any obligation incurred under this Contract. Any attempt by Contractor to assign or transfer this Contract or any obligation incurred under this Contract, in contravention of this paragraph, shall be void and of no force and effect.

Except for materials where any intellectual property rights are vested in a third party, such as software or hardware, in which case such rights shall remain the property of the third party, all finished materials, conceptions, or products created and/or prepared for on behalf of the PUCT and purchased by the PUCT, or on behalf of the PUCT, that the PUCT has accepted as part of the performance of Services hereunder, shall be the PUCT's property exclusively and will be given to the PUCT either at the PUCT's request during the term of the Contract or upon termination or expiration of the Contract. Notwithstanding the foregoing, materials created, prepared for, or purchased exclusively by the PUCT or on behalf of the PUCT are the PUCT's exclusive property regardless of whether delivery to the PUCT is effectuated during or upon termination or expiration of this Contract.

9.3 Licensed Software. With PUCT's advanced written consent, contractor may obtain software licenses as an agent of the PUCT for software that is used by Contractor solely for the purpose of providing Services under this Contract.
