

**CHAPTER 24. SUBSTANTIVE RULES APPLICABLE TO WATER AND SEWER SERVICE PROVIDERS.**

**Subchapter B. RATES, RATE-MAKING, AND RATES/TARIFF CHANGES.**

**§24.30. Escrow of Proceeds Received under Rate Increase.**

- (a) Rates received during the pendency of a rate proceeding.
  - (1) During the pendency of its rate proceeding, a utility may be required to deposit all or part of the rate increase into an interest-bearing escrow account with a federally insured financial institution, under such terms and conditions as determined by the commission.
  - (2) The utility shall file a completed escrow agreement between the utility and the financial institution with the commission for review and approval.
  - (3) If necessary to meet the utility's current operating expenses, or for other good cause shown, the commission may authorize the release of funds to the utility from the escrow account during the pendency of the proceeding.
  - (4) The commission, except for good cause shown, shall give all parties-of-record at least 10 days notice of an intent to release funds from an escrow account. Any party may file a motion with the commission objecting to the release of escrow funds or to establish different terms and conditions for the release of escrowed funds.
  - (5) Upon the commission's establishment of final rates, all funds remaining in the escrow account shall be released to the utility or ratepayers in accordance with the terms of the commission's order.
  
- (b) Surcharge revenues granted by commission order at the conclusion of a rate proceeding.
  - (1) A utility may be required to deposit all or part of surcharge funds authorized by the commission into an interest-bearing escrow account with a federally insured financial institution, under such terms and conditions as determined by the commission.
  - (2) Prior to collecting any surcharge revenues that are required to be escrowed, the utility shall submit for commission approval the completed escrow agreement between the utility and the financial institution. If the utility fails to promptly remedy any deficiencies in the agreement noted by the commission, the commission may suspend the collection of surcharge revenues until the agreement is properly amended.
  - (3) In order to allow the utility to complete the improvements for which surcharge funds were granted, the commission may authorize the release of funds to the utility from the escrow account after receiving a written request including appropriate documentation.
