

**CHAPTER 24. SUBSTANTIVE RULES APPLICABLE TO WATER AND SEWER SERVICE PROVIDERS.**

**Subchapter J. ENFORCEMENT, SUPERVISION, AND RECEIVERSHIP.**

**§24.140. Enforcement Action**

If the commission has reason to believe that the failure of the owner or operator of a water utility to properly operate, maintain, or provide adequate facilities presents an imminent threat to human health or safety, the commission shall immediately:

- (1) notify the utility's representative; and
- (2) initiate enforcement action consistent with:
  - (A) this subchapter; and
  - (B) procedural rules adopted by the commission.
