This information is compiled and provided by the Public Utility Commission of Texas from publicly available information from the Retail Electric Providers and PUC approved price to beat rates. The average price shown on this sheet was compiled from the Electricity Facts Labels of the REPs and is inclusive of all fixed and variable charges. The actual cost per kWh to a customer JUNE vary based on the actual usage of the customer. The PUC makes no recommendations with respect to any REP. Although we believe that these prices are accurate, the PUC makes no warranty that the prices in this table are currently being offered. Please contact the relevant REP for their current pricing offers and terms of service. Information on how to select a REP and contact information for REPs is located at [www.powertochoose.org](http://www.powertochoose.org).
