Begin E-Filing

- Click “Begin” to start your E-Filing
- You can access this webpage at the following URL:
 - <https://interchange.puc.texas.gov/filer>

Enter Control Number

- Enter your Control Number in the text box
- Control Numbers are five-digit numbers that include:
 - Docket Number
 - Project Number
 - Tariff Number
- To request a new Control Number, click the box next to “New Control Number”
- Click “Next” once you are finished
- If you do not know what your Control Number is, please contact Central Records

The screenshot shows the 'Interchange Filer' interface for the Public Utility Commission of Texas. At the top, there is a blue header with the PUC logo and the text 'Public Utility Commission of Texas Interchange Filer'. Below the header, the page title is 'Interchange Filer - Control Number'. A breadcrumb trail shows a home icon followed by 'Control Number'. There are two informational messages in light blue boxes: the first states that the filing process must be completed within 20 minutes, and the second refers to PUC Substantive Rule §22.71(d)(3) regarding confidential filings. The main form area contains the instruction 'Enter a valid control number for this filing' with a help icon, a text input field labeled 'Control Number', and a checkbox for 'New control number'. A blue 'Next' button is located at the bottom of the form.

§22.72. Formal Requisites of Pleadings and Documents to be Filed with the Commission.

(i) File format standards.

(2) Electronic filings shall be made using the [native file format](#) used to create and edit the file, unless the native file format is not on the current list of preferred file formats maintained by the commission referenced in paragraph (1) of this subsection. Microsoft Excel spreadsheets shall have active links and formulas that were used to create and manipulate the data in the spreadsheet. An application that fails to include the native file filings is materially deficient.

Note:

The PUC accepts most common file types: Word, PowerPoint, Excel, Word Perfect, text files, etc. There is a limit of **255** individual files per filing, with a total file size limitation of **400 MB**.

If you have any questions about the types of files you can submit, or the size limitations, please contact the PUC Help Desk at **(512) 936-7100**.

⚠ Please attach documents to your filing in the order in which you would like them to be filed.

The documents you attach in Filer will be **processed into a single PDF in the order in which the documents were attached**. Therefore, if you attach a PDF and Word version of the same document, they will both end up in the PDF record copy that has a time stamp.

E-Filing Mistakes

- If you accidentally file the wrong document(s) and/or file in the incorrect Control Number, we ask that you do the following:
 - Re-file the correct document(s) in the correct Control Number
 - Include a cover letter that explains your E-Filing mistake, and what changes you made to the re-filed documents
 - Email centralrecords@puc.texas.gov and explain the situation
 - Include “E-Filing Mistake” in the Subject Line of the email
 - Include relevant Item number(s) and Control Number(s) in your email
 - You can request that Central Records delete specific documents in the Zip File (Native Files) and/or void the Item number(s) for your incorrect filing(s)
- Central Records will not:
 - Swap out or change documents in the Zip Files of existing Item numbers
 - Delete documents or void Item numbers requested by filing parties until the filing party has correctly refiled the document(s) and sent the email described above
