

CHAPTER 24. SUBSTANTIVE RULES APPLICABLE TO WATER AND SEWER SERVICE PROVIDERS.

Subchapter I. WHOLESALE WATER OR SEWER SERVICE.

§24.138. Filing of Rate Data.

- (a) For purposes of comparing the rates charged in Texas by providers of water or sewer service for resale, the commission may require each provider of water or sewer service for resale to report the retail and wholesale rates it charges to purchasers.
- (b) Within 30 days after receiving a written request from the commission, a provider of water or sewer service for resale shall file a report with the commission. The report must provide the information prescribed in a form prepared by the commission.
